- Oct. 9th: Ms. Toby Visit to IB
- Oct. 10th: Farm Day
- Oct. 16th: Fire Safety Day
- Oct. 16th & 17th: Conferences
- Oct. ? :Pumpkin Patch (Date to be Determined)
- Oct. 30th: Mad Scientist Night

A NOTE

One of the most important gifts you can give your kids is a sense of RESPONSIBILITY. Encouraging kiddos to handle day to day tasks on their own helps build confidence, thus fending off an unwillingness to try in fear that they may fail. Remind your kiddos that mistakes happen and we learn from them all the time. Make your child responsible for their school work and packing their backpack for the next day. Responsibility is a key part of inner strength and confidence.

REMINDERS

Be on the lookout for a Calendly link to sign up for Parent-Teacher Conferences. They will be sent out soon!

LEARNING

This month is Literacy we will continue working on proper letter formation, print tracking, rhyming, and story elements. In Science and Social Studies, we will continue discussing weather and civics topics. Our Math focus will be counting one-to-one, number formation, counting one more AND one less, and shapes. October themes will include: Farm, Fall, Pumpkins, and Bats.
