

# Second Grade News

Sept. 30-Oct. 4, 2019

We are working on reading fiction stories and understanding more about the character's point of view. We are also studying the pictures and text to be able to make inferences about what we read. In math we have been working on counting numbers within 1,000 using hundreds, tens, and ones. We have continued to focus on sentence writing by working on using verb tenses correctly in our sentences.

## Upcoming Events

- Sept. 30-Behavior Bash at Laurel Park
- Oct. 16-17-Parent Teacher Conferences
